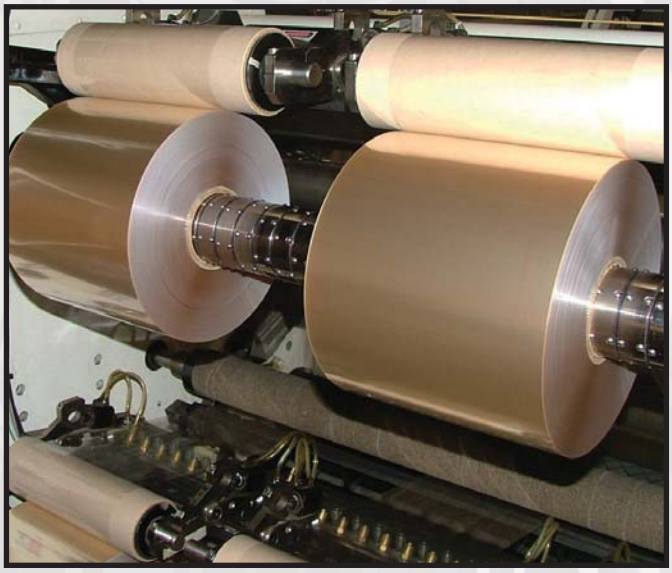
ROBERTS TECHNOLOGY GROUP, INC.

RTG FILMS Div.

PRECISION SLITTER / CONVERTER
AND DISTRIBUTOR OF FLEXIBLE PACKAGING FILMS

"Your One-Source for all your Flexible Film Packaging Needs"
Shipping Nationwide and Conveniently Located in PA.

Since 1995, **RTG Films** (Div. of Roberts Technology Group, Inc.) has provided customers with premium flexible packaging films at the most reasonable costs. We are not your "ordinary" film distributor as we actually convert our products in-house on our vast array of PLC-Controlled High Speed Slitters.



Quality: **RTG** only works with reputable flexible film manufacturers of master rollstock throughout the world.

Value: **RTG** believes each customer deserves to get the best pricing upfront from the start.

Service: **RTG** has the leading Customer Service Department in the Slitting / Converting industry. We truly control "when" you will get your film!
